

# *Caboolture Super Clinic*

23-27 George Street  
Caboolture Qld 4510

~~~~~

## **Information for your child's first appointment with the Paediatrician.**

Prior to your child's appointment the Paediatrician does like to have the Connors and Vanderbilt Questionnaires completed by the parents, and either a class teacher or early childhood educator, if applicable.

Should you have any supporting documentation from other specialists or allied health providers, please bring this to your child's paediatrician appointment.

If you have never attended the Caboolture Super Clinic before, we ask if you can arrive 5 to 10 minutes prior to your appointment time, as there is a new patient form we require you to complete.

## **Billing**

Paediatric appointments are not bulk-billed. The fee schedule is as follows.

| <b>Medicare Item Number</b>            | <b>Appt Duration</b> | <b>Fee</b> | <b>Rebate</b> | <b>Out of Pocket Expense</b> |
|----------------------------------------|----------------------|------------|---------------|------------------------------|
| 110 – Initial consult                  | 60 mins              | \$200      | \$132.30      | \$67.70                      |
| 132 – Complex case                     | 60 mins              | \$300      | \$231.35      | \$68.65                      |
| 116 – Follow up                        | 30 mins              | \$140      | \$66.25       | \$73.75                      |
| 133 – Complex follow up                | 30 mins              | \$180      | \$115.85      | \$64.15                      |
| 135 – Paed referral for assessment ASD | 60 mins              | \$350      | \$231.35      | \$118.65                     |

Initial appointments are between \$200 and \$300 depending on the complexity of the case – this is determined by the paediatrician.
